Honorable Ben Fortson  
Secretary of State  
State Capitol  
Atlanta, Georgia

Dear Ben:

Attached is a list of ante-bellum homes in Atlanta which the Atlanta Civic Design Commission would like to designate as historic sites.

It is my understanding that the Georgia Historical Commission has already placed a marker at the Samuel House and the George Washington Collier house.

Would it be possible to place a marker at the Lemuel Grant residence and the Judge Wilson house? I am also enclosing a plat of the property for your information.

Sincerely yours,

Ivan Allen, Jr.  
Mayor
