

TENANT GRIEVANCE PANEL

Any panel instituted by the Atlanta Housing Authority should contain at least the following elements:

1. A separate panel should be created for each individual project.
2. The tenant members of the Grievance Panel should be elected by the tenants.
3. The Panel should have authority to deal with evictions or other sanction imposed by the Authority; rent determinations; and complaints by tenants against Management personnel, but not against other tenants; fines and damage charges imposed by the Authority.
