Dear Ivan -

I rarely write a "fan" letter -  
but after your appearance on  
Huntley-Brinkley tonight, you  
will probably receive a bushel  
basket of them!

Thank you for expressing so  
strongly what so many of us feel.

Sot and I admire and support your courage, your integrity and your great intelligence and warmth. We feel blessed to have you in a key position for our wonderful city - but even more - to know you as a friend.

Affectionately  
Claudia
