Mayor Ivan Allen
Atlanta Ga

Mr Mayor:

Who are you to criticize anyone
who voted for Maddox. Did it ever
occur to you that you and these
judges in Washington - plus the
are responsible for driving people out
of this so called Democrat party. You
have H. R. King and Carmichael on
every occasion, and people of this
state are fed up with this forced
social equality. and if it continues
the worst is yet to come.

Now the Great Society
Papa is crying for help, and the
Negroes want a fat Dole.
Have a look in your mirror
