Mr. Wilbur G. Kurtz, Jr.
Post Office Box 1734
Atlanta, Georgia

Dear Mr. Kurtz:

Thank you for your letter of March 8, 1967 and advising that Mr. Bruce A. McNaughton of New York City has forwarded to you a check in the amount of \$10. which is to serve as a contribution towards the new home for the Cyclorama painting.

I agree this is a very fine gesture and I will immediately acknowledge it on behalf of the City. It will be necessary for a resolution to be passed by the Mayor and Board of Aldermen authorizing the acceptance of this check and the creation of a special account; however, this is simply routine paper work so don't concern your self about it.

Please endorse your check as follows: "Pay only to the order of City of Atlanta" and mail to my attention and I will handle the ball from there.

We were all deeply saddened by the passing of your father who has certainly left his mark on Atlanta. Anyone would be proud to say that they had known him, that he was a friend or relative.

Cordially,

Jack C. Delius
General Manager of
Parks and Recreation
