

December 28, 1967

Mr. Cecil Alexander  
Finch, Alexander, Barnes,  
Rothschild and Paschal  
44 Broad Street  
Atlanta, Georgia

Dear Cecil:

All of the officials and staff people involved in the Eastern Regional Conference of the Urban Coalition here on December 13 agree that it was the most successfully run conference the Urban Coalition has conducted to date.

I am sure that the major reason for this is the cooperation and assistance we had from the local people who pitched in to help us get the job done. I would like to personally thank you for your great help.

Sincerely yours,

Dan Sweat
