August 2nd 1963

Dear Mr. Mayor,

We are proud being citizens of
Atlanta!

During the last weeks the Euro-
pean editions of New York Times
and New York Herald Tribune which
are read all over Europe published
articles written by Ralph McGill
and editorials about Atlanta and
you, Mr. Mayor. (Enclosed one edi-
torial)

This has been very different
in former years with Atlanta
news about double Governorship
and temple burning

We are proud of Atlanta

and our respected Mayor.

With best regards from Mrs
Luz and myself

Respectfully yours

Robert M. Luz

The Honorable
Ivan Allen Jr.
Mayor of the City of Atlanta
Atlanta, Ga
