

Sir: Heard you on TV last nite and
read a clipping in paper. Its too bad you
will have to vote Republican. Matter as a friend
of mine did not get the nigger or Republican
Bloc votes. They got votes of Ga. crackers
like me that are not ignorant like you.
you got Mayor because of money and handed
to you on a silver platter. It was a great
victory for the Democrats + Georgia. Remember
Arnold in 1950-1960, left Ga, Boycotted Ga.
stole the silver ware from the mansion and
said he would never return to Ga. or would
not run for dog catcher. Refresh your memory
