MEMORANDUM

TO: Mayor Ivan Allen DATE: September 5, 1969

FROM: Sam A. Williams, Director - Atlanta Urban Corps

SUBJECT: Thank You Letter to Urban Corps

The Urban Corps staff leaves the domain of City Hall September 5, 1969. In my opinion these students are the origin of success of the Atlanta Urban Corps. They have put in much more than the traditional forty hour week. I think they should receive recognition for an outstanding job.

I am enclosing their names, addresses and responsibility description in hopes that you might write each of them a short note.

Sam
