153 Lindbergh Drive, N.E.
Atlanta, Georgia 30305

Dear Pat:

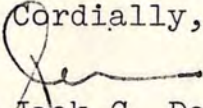

I want to certainly thank you for meeting me at such an early hour this morning at the Eden Rag Company-Ira Street Recreation Center. In accordance with your request, I would like to make the following suggestions as to what contributions the Executive Park Optimist Club might consider making.

1. Hot water heater
2. Electric water cooler
3. Concrete sealer on floor in the gym room
4. Indoor/outdoor carpeting for the game room and possibly the reading room
5. Uniforms and/or recreation supplies as suggested by Mr. Grady Butler or Miss Jimmie Mims
6. Sponsorship of a weiner roast

I think it would be quite in order for your association to sponsor a neighborhood wide weiner roast for the dedication of this facility. As you know, it should be ready for use within the next few weeks. Most of the items listed above are not presently planned by the City of Atlanta.

Your assistance is deeply appreciated, and I am

Cordially,

Jack C. Delius
