Mr. Ivan Allen
Mayor Of Atlanta

Dear Mr. Mayor:

According to God's word he does the condemning and I believe it would be wise if you would make an apology to Mr. Maddox for saying on television that he is unfit for Governor, because when you and Mr. Maddox returns to dust it would be hard to distinguish your dust from Mr. Maddox.

May we all think to Pray for one another instead of condemning, and I believe our lives will be "Enriched".

Sincerely,
Robert W. Hudson
