City of Atlanta
City Hall
Atlanta, Georgia

Dear Mayor Allen:

My contribution to the parade was very small, but anything that you would like the writer to do I'm at your valued commands.

Thank you for the license plate, and we'll continue to sing the praises of Atlanta on our visits into the hinterlands. Just a voice crying in the wilderness to have the fans "rally" around the Braves.

Sincerely,

Eddie Glennon
Area Sales Director
