Mayor Ivan Allen, Jr.
City of Atlanta
City Hall
Atlanta, Georgia

Dear Mayor Allen:

We noted in the April 11 issue of a local paper that you propose building a huge vinyl-plastic umbrella over the Atlanta Stadium, which can be raised in less than three hours.

Also noted was the fact that the novel proposal was presented on April 10 to you by Architects George T. Heery and James H. Finch, whose addresses we would like to obtain.

As we are in the vinyl-plastics business, we would appreciate your sending their addresses to us as soon as possible.

Thank you in advance.

Very truly yours,

FERRO CORP./CORDO DIV.
