

February 1, 1965

Honorable John A. White, Chairman
Employment Opportunities Committee
218 Healey Building
57 Forsyth Street, N. W.
Atlanta 3, Georgia

Dear Mr. White:

I am enclosing a copy of a report of ethnic distribution of City employment showing the numbers of Whites and Negroes employed in classes other than Porter, Laborer, Waste Collector I, Building Cleaner, Building Custodian, and Caddy Master as of December 28, 1964. This report also lists total number of Negroes employed in each of the listed classes as of December 26, 1963. You will note that as of December 26, 1963, 337 Negroes were employed in 36 job classes, and that on December 28, 1964, 483 Negroes were employed in 52 classes other than those listed above.

This report shows that steady progress is being made in providing job opportunities in a wide variety of classes for qualified Negro applicants.

Since heavy work concerned with the budget prevented your calling a meeting of the Committee during the month of January, I suggest that you not call a meeting until April if you feel that this report is sufficient for the January meeting. I am mailing a copy of this report to the Mayor and to each member of the Committee.

Sincerely,

CARL T. SUTHERLAND
Director of Personnel
