Dear Mayor Allen;

I surely admire
your stand against those Negro,
Communist leaders. Stokely Carmichael
is a agent as you know & should
be jailed & sent to Pen. he
is creating unrest among all
Negro & some Whites. Civil Congress
you Mayor & Governor of each
state see what it is leading
to, we here in Miss. are so tired
of Congress passing Civil Right for
such people. & the Whites here
none. please try & help all you
can & stop those agitators.

Thanks, Mark Lee
