Dear Friend:

You are cordially invited to attend a one-day planning conference on mobilization of local coalitions to be held in New York City at Loeb Student Center of New York University on January 12, 1968.

This is the third of a series of three regional conferences the Coalition is holding in response to requests from local community leadership across the country for assistance in organizing and programming local action counterparts to the national Urban Coalition. Leadership delegations from cities throughout the eastern part of the United States are expected to attend and participate in this meeting.

While the major portion of the meeting will be devoted to workshop sessions dealing with the organization and programming of local coalition efforts, we will have pertinent addresses from not only the session host, Mayor John V. Lindsay, but national leaders from business, labor, religion and civil rights.

We will send you a program announcement shortly and will look forward to seeing you in New York on January 12th.

Cordially,

*Andrew Heiskell*
