MEMORANDUM

To: Collier Gladin

From: George Berry

Subject: CAP -- City of Atlanta Central Business District Plan

I have a copy of your letter to Mr. Bowden, dated July 1, 1969, concerning the fact that the City and other agencies have various contracts with the Alan M. Voorhees Company. Is it anticipated that the Voorhees Company will be engaged to do the expanded study that will be made possible as a result of the Federal Grant expected from the Department of Transportation?
