

# Read All About It!

## Student Activity Sheet

Where do people get news about their city and country?  
How do they learn what is happening in the world around them?

Create and conduct a survey of your classmates, parents, and other friends.

Include the questions listed below. You may add additional questions for your survey.

1. What are your sources of news?
  - a. Newspapers (which one)?
  - b. Television (which station)?
  - c. Radio (which station)?
  - d. Internet (which site)?
  - e. Other people?
  - f. Organization newsletters?
  
2. What types of news interest you?
  - a. Neighborhood?
  - b. Town/City/County?
  - d. National?
  - e. International?

- [ Keep a list of the answers from each person you interview.
  
- [ Do you find any trends based on age or other factor?
  
- [ Combine your results with the rest of the class to find the most popular news outlets.
